

BRIEF INTRO:

Qualified UK solicitor , focusing on capital markets. Played a key role in developing the legal department to support Saxo Bank's development and strategy. Founded a department specialising in the Stock Exchanges, including data gathering, processes and automation to increase international competitiveness

As a Director of the Legal Department, I used technology as a key driver and facilitator for the development of new legal solutions and services,. I strongly believe that technology can fundamentally change capital markets.

Co-founder of CFH Group CFH Markets in 2008. As an Executive Director, in charge of Group Legal & Compliance, for all group entities, and serving on the Board of Directors.

Currently at XXX, which is based on a combination of top legal, compliance and regulatory expertise, substantial industry knowledge and deep technological understanding. We offer state of the art legal, compliance and regulatory advisory services, and advanced technological solutions to banks and investment firms/brokers globally.

Authorised and regulated by the Solicitors Regulation Authority of England and Wales, and a recognised European Lawyer.
